Rower Group	Boat Category	Boat Notes	Rower Notes
Beginner	GREEN	very stable, easy to repair, low to zero value	new to rowing, might have passed the beginners course but still not ready to row recreational boats
Recreational	BLUE	less stable, newer and requires good basic skills to row & care to move on & off the water	completed the beginners course, and has been approved by Head Coach & Rojkjef, should be able to row unsupervised
Experienced	RED	Expensive to Repair & Insure	Experienced rower as judged by Head Coach (& where needed in consultation with other coaches)
		Fragile to Use, especially must be take extreme care moving boats on & off the water	Techincally very competent based on age & gender
		Rower liable for ENANDEL if damaged	Must have competed in the last 12-24 months finshiing no less than 10 seconds after slowest rower if last
		Boats are padlocked or riggers are kept seperate	Selection to use RED boats final decision is the Head Coach
